TRANSMITTAL OF FORMAL DRAWINGS

Mail Stop Petitions  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The Official Action dated November 5, 2003 for the above referenced patent application stated that a new drawing for Figure 20 was required. However, a review of the file of the above-identified application revealed that previously proposed changes to Figures 12, 13, and 16 rendered the prior drawings informal. Additionally, when Figure 16 was redrawn, Figure 19 was moved to another sheet, necessitating a further substitute drawing sheet.

The Applicants therefore are submitting 5 new sheets of formal drawings to correct the informalities in the prior drawings.
